# FINDING DORY

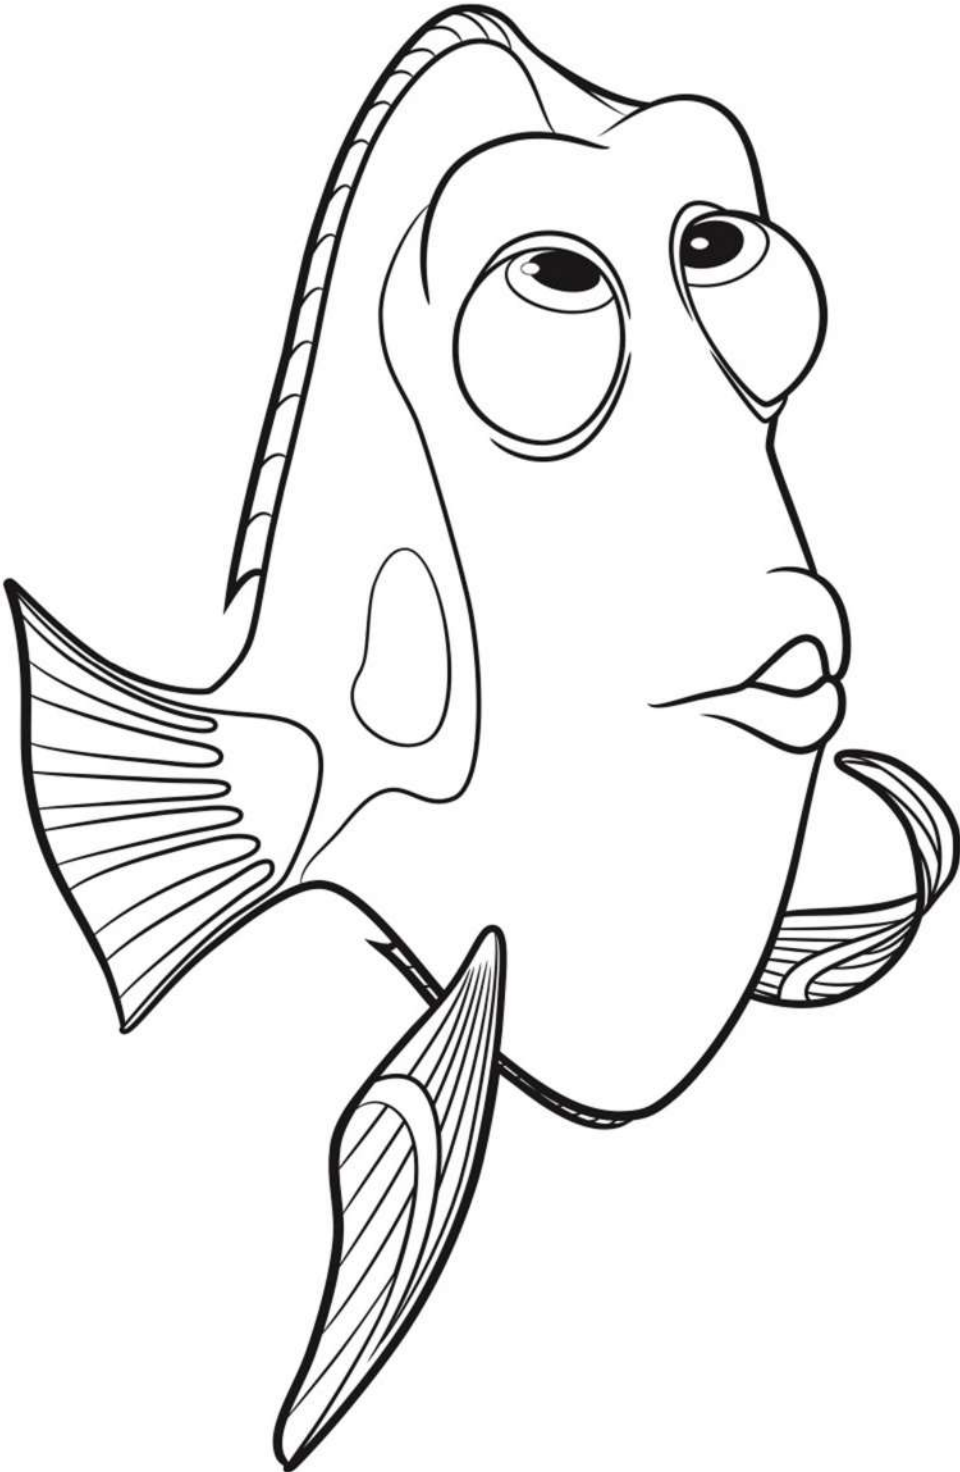

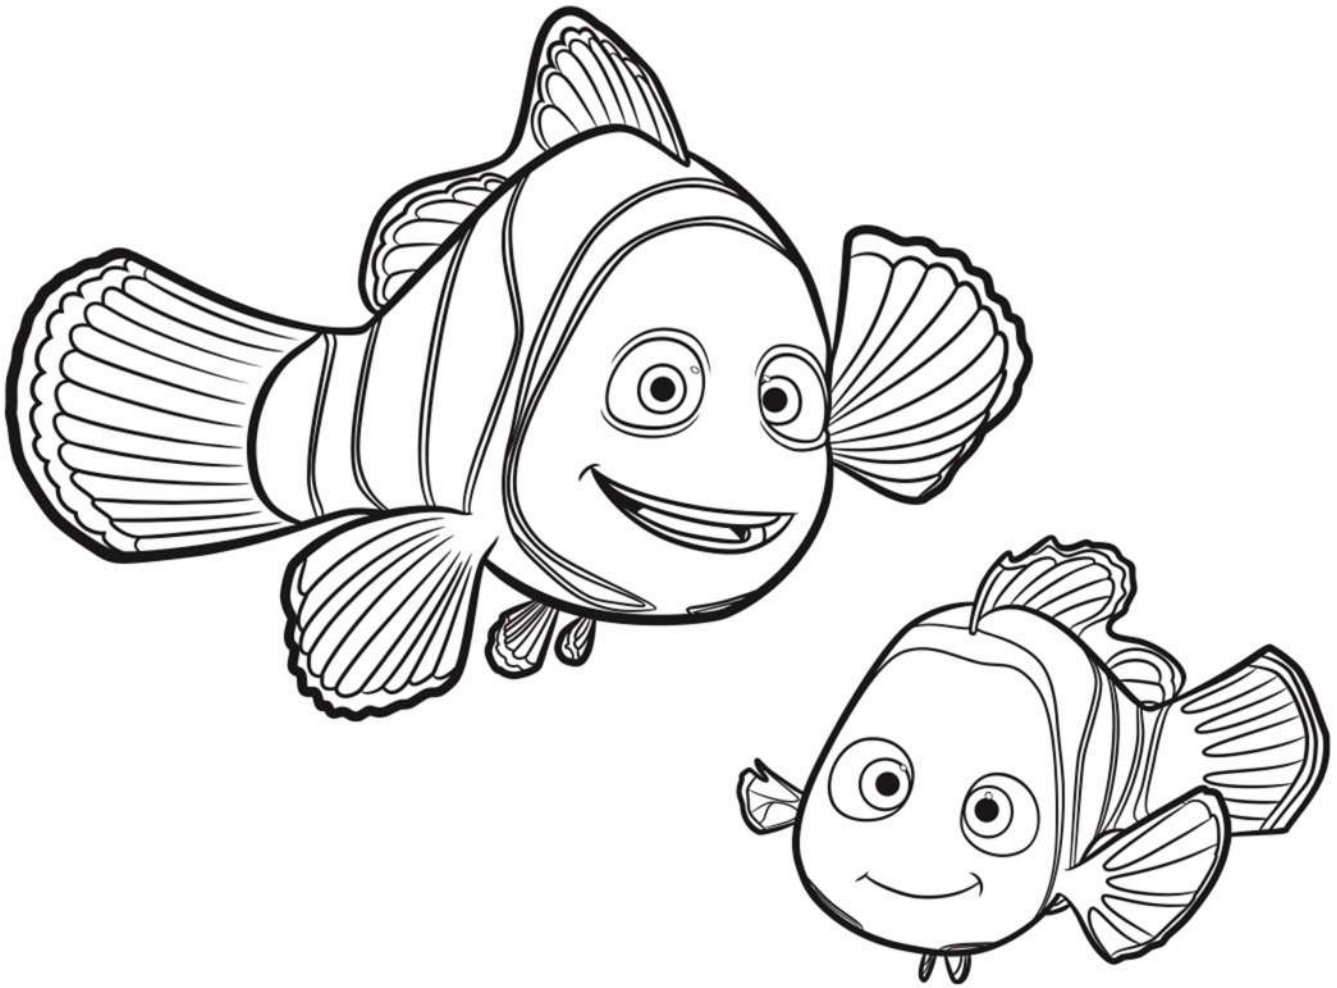

PIXAR  FEST

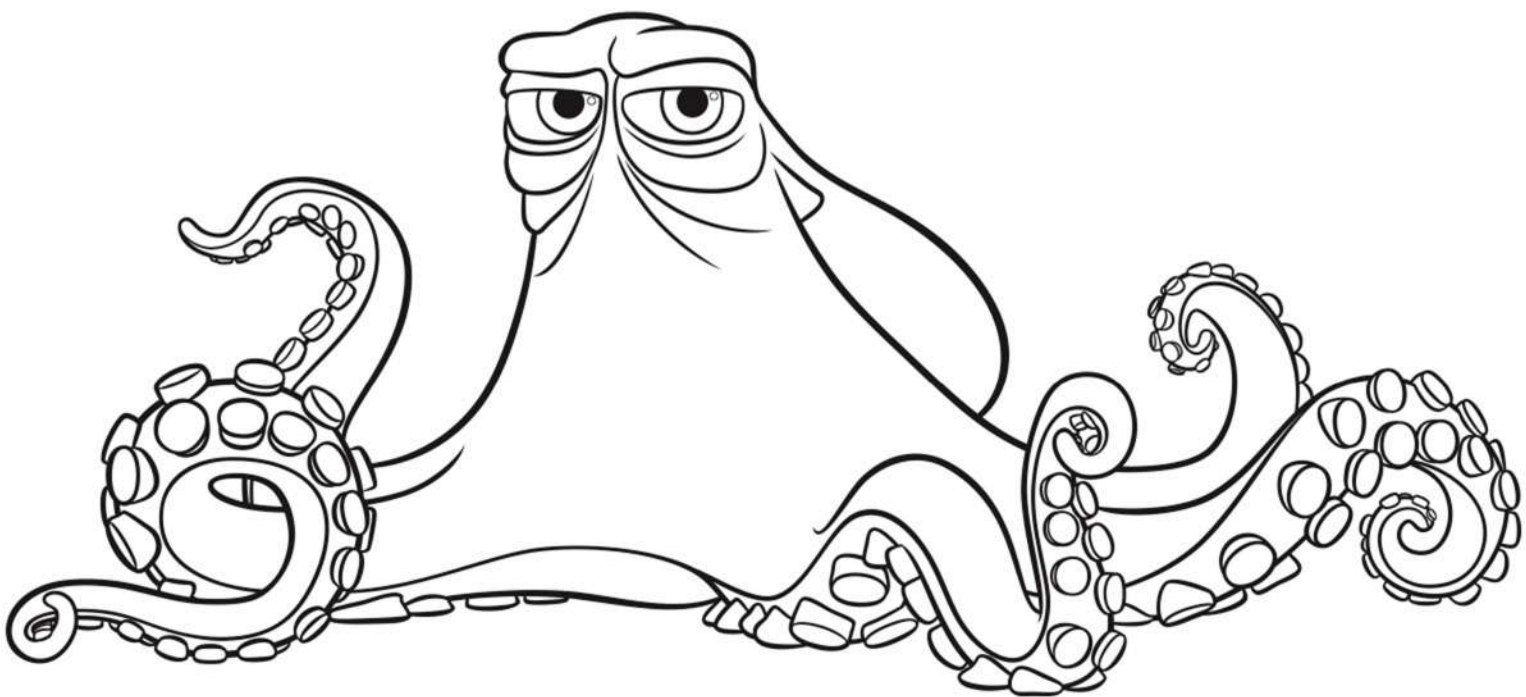

ACTIVITY BOOK

Disney  
DESTINATION  
IMAGINATION

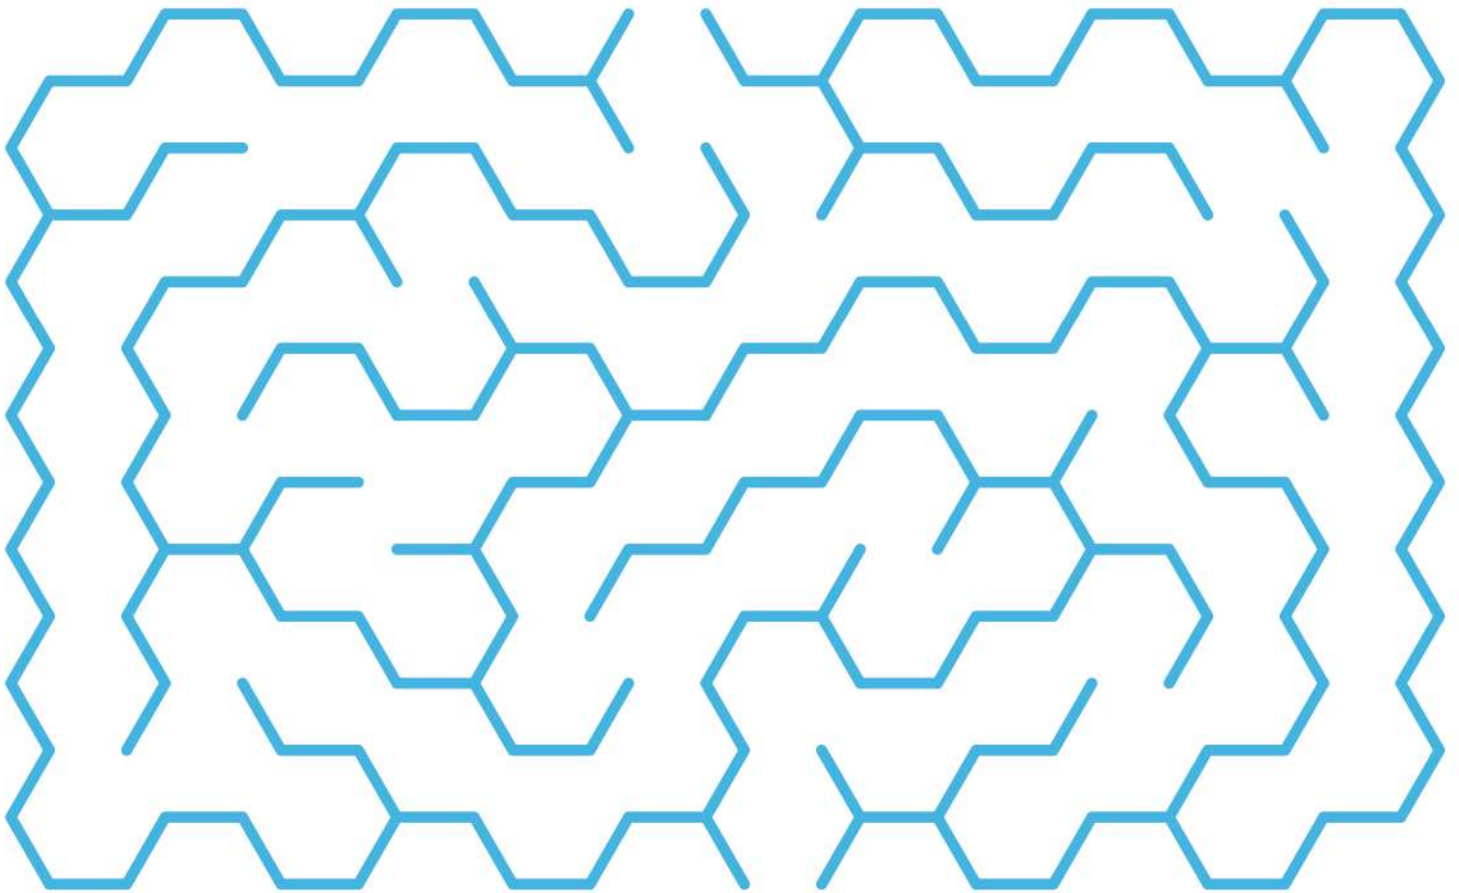

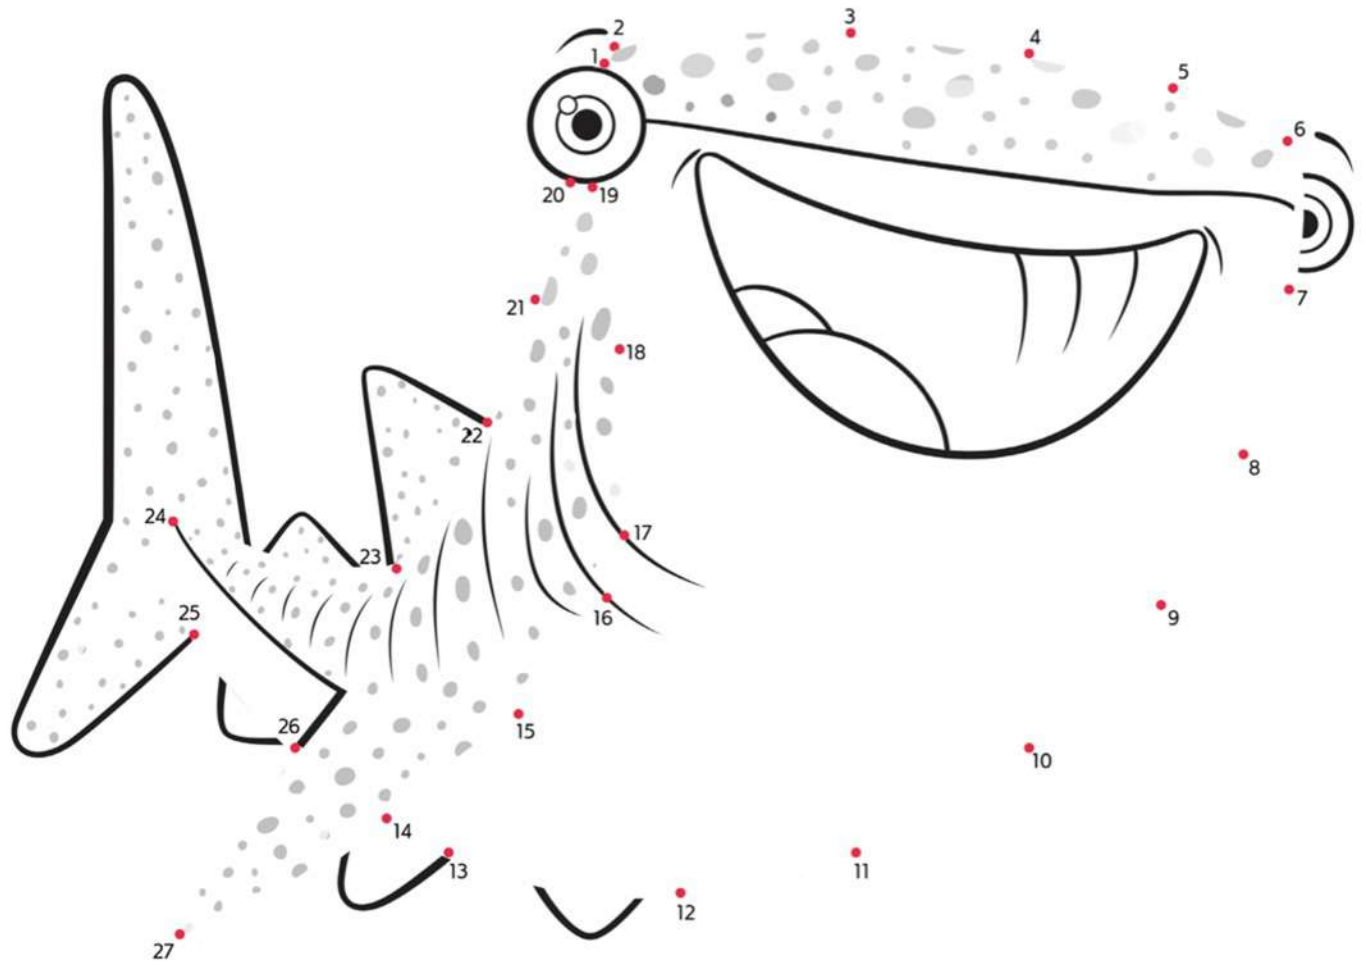

Help Dory find her way to the Marine Life Institute!

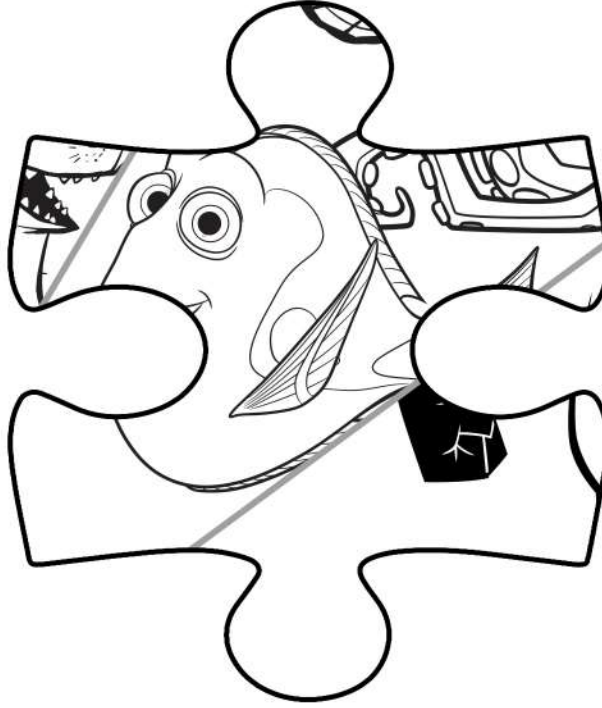

In every PixarFest Activity Booklet available on Disney's Destination of Imagination there is a puzzle page. On these pages you will find all the pieces to create your own Pixarfest jigsaw!

Step 1: Colour in the puzzle pieces.

Step 2: Cut out in the individual puzzle pieces.

If you want to stick them to piece of card, or cardboard to make them stronger, ask an adult for help.

Step 3: Keep them safe, and add every day throughout PixarFest.

Step 4: Collect all puzzle pieces from the Activity Booklets and create your own Jigsaw puzzle!

Step 5: Once complete share your finished puzzles by tagging @shopdisneyuk in your pictures!
